REVA DIGITAL

BUSINESS OVERVIEW

Bespoke E-Learning Solutions | K-12 | Higher Education | Corporate

Manifesto

We believe that learning is a transformation, not just a transaction; that mobile learning is an ever-growing reality, not just a buzz-phrase; that employees want a sense of autonomy, mastery and purpose at work; that continuous learning is fueled by employee-driven learning culture; and that access to high-quality learning experiences can transform lives.

PRINCIPAL

Reva McEachern holds an advanced degree in Instructional Technology & Media from Teachers College and a Strategic HR Business Partner Certification.
